SCHOOL AGE AND DAY CAMPS 2016

Consent Agreements & Parent Statement of Understanding

Child's name _____

My child has my permission to participate in the YMCA sponsored Day Camp & School-Age Care Programs.

1. I will be responsible for all fees accumulated as a result of my child's registration and participation in YMCA programs. I understand that all fees are payable in advance and that program participation will be denied if payments are past due. All past due accounts will be referred to collection.
2. I have received a Parent Handbook and understand the program's policies and fees.
3. I give my permission for my child to go on supervised field trips with the YMCA's Day Camp & School-Age Care Programs.
4. I give permission for my child to participate all activities, including swimming, to be supervised by YMCA staff or qualified lifeguards. If I do not want my child to participate I will give written notice.
5. To the best of my knowledge, my child is in good health. I understand that the YMCA has safety standards in its programs and that all activities will be properly supervised. The YMCA does not provide individual accident insurance; therefore, I will provide the necessary coverage in the event of an accident.
6. The YMCA cannot be held responsible for problems related to a child's failure to receive the required immunizations.
7. PHOTO RELEASE-I give permission for my child to be involved in photograph's or other media to promote or interpret YMCA programs.

Initial: Yes _____ No _____

8. While in the YMCA's care, YMCA staff and volunteers will not transport a child in a private vehicle without the parent's specific permission.
9. When leaving a child at the YMCA or program site, he/she must be signed in and make sure a program staff or volunteer is available to receive and supervise your child. The YMCA staff will not call to verify absences when a child is not signed in.
10. The YMCA will release children only to people authorized by the parent/guardian. If a parent/guardian desires to have a YMCA employee provide childcare or other services outside of the YMCA program or check their child in or out of the program; they must first sign a disclaimer/waiver statement. In these situations, it is the parent(s) who are responsible for implementing the appropriate child abuse prevention measures. The YMCA is not responsible for the independent acts of its employees outside of the work place.
11. Day Camp & School-Age Care staff and volunteers are required by state law to report suspected child abuse. This will be handled confidentially through a staff person's supervisor and the program director.
12. If the person picking up a child appears to be under the influence of drugs or alcohol, for the child's safety, that person will be asked to allow someone else on the authorized list to pick up the child. If that person insists on taking the child, the YMCA will make a report to the police and Child Protective Services. Please do not put our employees and volunteers in a position where they have to make this judgment call.
13. Parents/Guardians may drop in and visit with their children at any time.
14. The YMCA takes all accusations of child abuse seriously. To protect **children**, staff and/or volunteers accused of abuse may be suspended from the program. To protect **staff and volunteers**, children and/or parents making false accusations of abuse may be suspended from the program.
15. The YMCA has a comprehensive disaster plan for each site. The plan will be posted on the parent board for your review and signature.
16. Weapons, including but not limited to, knives and or firearms are not allowed at day camp and may result in suspension.

I have received a copy of the Parent Information Packet and I have read, understand and agree with the Consent Agreements.

Instructions for completing the Certificate of Immunization Status (CIS): printing it from the Immunization Registry or filling it in by hand.

#1 To print with info filled in: First, ask if your health care provider's office puts vaccination history into the CHILD Profile Immunization Registry (Washington's statewide database). If they do, ask them to print the CIS from CHILD Profile and your child's information will fill in automatically. **Be sure** to review all the information, **sign and date the CIS** in the upper right hand box, and return it to school or child care. If your provider's office does not use CHILD Profile, ask for a copy of your child's vaccine record so you can fill it in by hand using steps #2-7 (below):

EXAMPLE

#2 To fill in by hand: Print your child's name, birthdate, sex, and your own name in the top box.

#3 Write each vaccine your child received under the correct disease. Write the vaccine type under the "Vaccine" column and the date each dose was received in the "Month," "Day," and "Year" columns (as mm/dd/yyyy). For example, if DTaP was received Jan 12, March 20, June 1, '11, fill in as shown here ▶

Vaccine	Dose	Date		
		Month	Day	Year
◆ Diphtheria, Tetanus, Pertussis (DTaP, DTP, DT)				
DTaP	1	01	12	2011
DTaP	2	03	20	2011
DTaP	3	06	01	2011

#4 If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guide below to record each vaccine correctly. For example, record Pediarix under Diphtheria, Tetanus, Pertussis as **DTaP**, Hepatitis B as **Hep B**, and Polio as **IPV**.

#5 If your child has had chickenpox (varicella) disease and not the vaccine, **use only one** of these four options to record this on the CIS:

- 1) If your child's CIS is printed directly from the CHILD Profile Immunization Registry (by your health care provider or school system), and disease verification is found, box 1 is automatically marked. To be valid, this box must be marked by the Immunization Registry printout (not by hand).
- 2) If your health care provider (HCP) can verify that your child has had chickenpox, mark box 2. Then mark either 2A to attach a signed note from your HCP, or 2B if your HCP signs and dates in the space provided. Be sure your HCP's full name is also printed.
- 3) If school staff access the CHILD Profile Immunization Registry and see verification that your child has had chickenpox, they will mark box 3. Then, they must initial and date that they got parent or guardian approval to mark this box (i.e. make this change) to the CIS.
- 4) If your child started kindergarten in the 2008-2009 school year or later, you **CANNOT** use this box. If your child started kindergarten before the 08-09 school year, mark this box if you know he or she has had chickenpox. If you mark box 4, you must also write the approximate age or date your child had chickenpox. To find out which grades require chickenpox vaccine (or history), visit: <http://www.doh.wa.gov/cfh/immunize/schools/vaccine.htm>

#6 Documentation of Disease Immunity: If your child can show immunity by blood test (titer) and has not had the vaccine, have your health care provider (HCP) fill in this box. Ask your HCP to mark the disease(s), sign, date, print his or her name in the space provided, and **attach signed lab reports**.

#7 Be sure to **sign and date the CIS** in the upper right hand box, and return to school or child care.

#8 If a school or child care makes a change to your CIS, staff will print their name in the middle bottom box and date to show that you gave approval.
