NON-DISCRIMINATION POLICIES

No person shall be denied the opportunity to participate in the YMCA as a participant, employee, or volunteer based on race, sex, religious beliefs or disability.

In order to participate successfully in YMCA School Age Programs, a child must be able to function in a group setting, stay with their group at all times, and follow directions given by staff.

If a child requires accommodations due to special needs any of the following can provide supporting signed documentation:

- Licensed or certified physician or physician's assistant
- Mental health professional

- Social worker with a bachelor's degree or higher with a specialization in the child's needs

We will do our best to make reasonable accommodations, however we are unable to provide one-on-one care.

Cultural Awareness Activities

Our School Age Programs will incorporate activities to encompass many different cultures. Multi-cultural activities will be on the monthly calendar and may include games, books and arts & crafts. Families are welcome to share ideas they may have to increase our cultural diversity.

Religious Activities

The YMCA is a Christian organization and we may do prayers before snack as well as incorporate some Christian-themed arts and crafts activities into our programs. Children are not required to participate in any religious activities. Families are welcome to share religious preferences with YMCA staff.

Holiday Celebrations and Traditions

Often holiday games and arts & crafts are incorporated into our monthly activities. We strive to celebrate holidays being respectful of our many diverse cultures.

PARENT CODE OF CONDUCT

Parents/Guardians agree to behave in a manner which reflects the YMCA's core values of Caring, Honesty, Respect and Responsibility while interacting with staff or other families regarding their child's program. This includes inappropriate language, yelling and threats of bodily injury.

GUIDANCE AND DISCIPLINE POLICY

Our goal is to help the children in our programs develop values of Caring, Honesty, Respect, and Responsibility.

We work to cultivate respect and responsibility for self, others, and our environment. We strive to offer a supportive, nurturing environment with caring adults which is the first step in the development of inner control and appropriate behavior. By allowing children to assume responsibility for their actions, they develop self-control and become aware of the rights of others. The methods we use are grounded in the use of positive reinforcement, reasonable expectations, logical consequences, redirection, and diversion. Consequences (both logical and natural) are developmentally appropriate as well as related to the child's behavior, which might include reinforcing positive behavior, modeling appropriate behavior, and assisting children with finding words to describe how they are feeling. Our positive, guidance-focused approach helps children develop positive self-esteem, independence, pride in their work, and builds trust in our program and staff.

The YMCA does not use corporal punishment in any way.

MANDATORY CHILD ABUSE REPORTING

The YMCA complies with Washington State laws which require child care providers to report suspected child abuse, neglect, or exploitation to Child Protective Services and/or local law enforcement agencies. All YMCA staff members are trained in child abuse prevention.

FOOD SERVICES

Breakfast: Children arriving before 7am must eat breakfast at home prior to coming to program. Children wishing to participate in the school's breakfast program will be dismissed prior to the beginning of school so they will have adequate time for breakfast.
