## ALUMNI JOIN MEDICAL SCHOOL

Gifti Abbo, Whitworth Cadre 8 and  
Rahmi Nemri, Gonzaga Cadre 4

The University of Washington School of Medicine–Gonzaga University Regional Health Partnership, established in February 2016, is built upon a shared commitment to serving the greater good in healthcare.

Two of our Act Six alums, Gifti Abbo from Whitworth Cadre 8 and Rahmi Nemri from Gonzaga Cadre 4, have joined the newest medical class at the Spokane campus. Two scholars, from two universities, are now classmates in Medical School. It truly is a small world!

We wish them the best of luck!
